M.A. Degree Program Application for Admission for **2012-2013**

Please provide your first name, middle initial, and last name in the spaces above.

This application is available as a fillable form, in Portable Document Format (PDF). Please fill out this application using Adobe Acrobat Reader and print two copies: send one to the CREECA office and keep the second for your own records.

Handwritten copies of the application will not be accepted.

Deadline for admission and fellowship consideration:
January 2, 2012 (Postmarked)

Language Questionnaire

Please answer the following questions and include the two-page questionnaire with your application materials.

1. List here all the languages, aside from English, in which you have some language competence (including speaking, reading, listening and writing). Put a checkmark next to each of the languages that you have studied formally in a classroom setting (high school, college, other graduate program, summer immersion program, study abroad program) and write the name of the institution(s) or program(s) next to the name of the language.

Language	Studied Formally	Name of Institution/Program
----------	------------------	-----------------------------

2. On a separate sheet of paper, please provide a typewritten or word-processed chart for each language you have studied formally. Describe how many years, semester, or quarters you studied that language, how many hours per week your class met each semester or quarter, and whether or not class was conducted entirely, mostly, sometimes, or rarely in the language you were studying. Note if any of the language classes you took were part of a summer immersion program or a study abroad program in which you spoke the language outside of class.

3. For each language you have studied formally, answer the following questions designed to help you self-assess your language competency.

Language:

I can read newspaper articles in this language (with a dictionary) with ease. Y / N

I can read essays about history, anthropology, or politics in this language (with a dictionary) with ease. Y / N

I have read at least one book (excluding language textbooks) for pleasure in this language. Y / N

I can understand news reports in this language with ease. Y / N

I can easily speak with native speakers of this language who don't know English as long as we stay on simple topics. Y / N

I can write short notes in this language with ease. Y / N
