

CREECA Graduate Course List
Russian, East European, and Central Asian Studies
Fall 2017 (1182)
Revised: April 12, 2017

Please note: Courses listed here are those at or above the 300-level (which is the *minimum* required for a course to count towards a graduate degree). The Graduate School at UW-Madison now requires that at least 50% of credits applied toward the program's graduate degree credit requirement must be courses designed for graduate work. All courses numbered 700 and above meet this requirement. Courses numbered 300-699 that carry the designation "Grad 50% Y" also meet this requirement, since they assess graduate students separately from undergraduate students.

This list is provisional, and there may be changes in course offerings by the beginning of term. To see the full roster of courses, please consult Class Search:

(http://registrar.wisc.edu/schedule_of_classes_students.htm).

Courses marked with* must contain 25% or more content area in REECAS to count towards the MA program or graduate certificate; please check with the professor to verify REECAS content of the course for the fall 2017 semester *before* enrolling and then get final approval from the REECAS advisor.

Please report any omissions or corrections to the REECAS graduate advisor, Jennifer Tishler (jtishler@creeca.wisc.edu).
