

CREECA Graduate Course List
Russian, East European, and Central Asian Studies
Fall 2017 (1182)
Revised: September 1, 2017

Please note: Courses listed here are those at or above the 300-level (which is the *minimum* required for a course to count towards a graduate degree). The Graduate School at UW-Madison now requires that at least 50% of credits applied toward the program's graduate degree credit requirement must be courses designed for graduate work. All courses numbered 700 and above meet this requirement. Courses numbered 300-699 that carry the designation "Grad 50% Y" also meet this requirement, since they assess graduate students separately from undergraduate students.

Courses marked with* must contain 25% or more content area in REECAS to count towards the MA program or graduate certificate; please check with the professor to verify REECAS content of the course for the fall 2017 semester *before* enrolling and then get final approval from the REECAS advisor.

Please report any omissions or corrections to the REECAS graduate advisor, Jennifer Tishler (jtishler@creeca.wisc.edu).
